

Hazlet Township Public Schools

Flex-Time 2016-2017

Hazlet Township Public School District understands that families with children attending **Sycamore Drive Early Childhood Learning Center (SD ECLC)** and **our Grades 1-4 schools** may need extra time to travel to these schools for the 8:50am arrival time and 3:30pm dismissal.

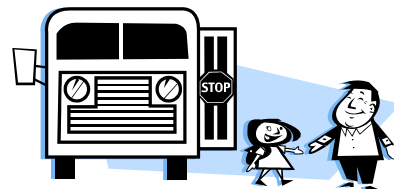

Our District offers a free program which allows parents to drop off their child/ren at Lillian Drive Elementary School, Middle Road Elementary School and Raritan Valley Elementary School. This extra 15 minutes of **Flex-Time** prior to the start of school and following dismissal will allow parents to get to both schools on time daily, for drop off and pickup.

The **Flex-Time** option allows SD ECLC parents the time to drop off their child/ren early at one of the grade 1-4 schools and bring their younger child/ren to SD ECLC for an 8:50am arrival. **Flex-Time** allows the parent the time to pick-up their SD ECLC children at 3:30pm and drive to one of the grade 1-4 schools to pick up siblings. Students are supervised by a certified staff member.

Flex-Time parents need to meet the criteria of having a child or children in both SD ECLC and a 1-4 school.

Drop-Off Time is between 8:25 - 8:40 am.

Pick-Up Time is between 3:30 – 3:45 pm.
