

## Students of the Month

The Renaissance Committee is proud to  
Announce that the Students of the Month

Of April are:  
Sam Giove and Steve Jacobs

Sam has gone from a struggling math student to a 96 average in the 3rd marking period. Sam has now found a purpose in preparing to become a future Navy Seal and has been studying hard for the ASFAB test. His new found work ethic and focus has allowed him to set himself apart from his peers in College and Career Readiness.

Steve is a student in English 2 Honors class. He is the most pleasant, helpful, and cooperative young man! His work is always excellent. His reading, writing, and communications skills are impeccable. What a great representation of the Raritan Brand!
