

HAZLET TOWNSHIP PUBLIC SCHOOLS

The *below District and School Grade Report* explains the Hazlet Public Schools District's ongoing commitment towards the reinforcement and strengthening of our schools' climate and culture through prevention and intervention efforts targeting toward harassment, intimidation, and bullying (HIB). While this report does not account for HIB incidents, it does explain our successful implementation of the requirements found in the *Anti-Bullying Bill of Rights (ABR)*. **A school and district that scores between 52 and 78 would regularly meet or exceed the expectations set forth within the *School Self-Assessment*.**

Each school within the Hazlet Township Public Schools completed a School Self-Assessment , as required under the ABR. The results of this self-study have been released through the *District and School Grade Report*. This report reflects the self-reported responses by each *School Safety Team* at the eight schools within the district. Each *School Safety Team* was asked to submit a response of partially meets (1point), meets (2 points), or exceeds (3 points) expectations for a total of 26 items on each survey.
