

## To Our Roadrunner Family

Thanksgiving is our favorite time of year. It is time for family and friends to gather together to celebrate each other and to offer thanks for all that they are grateful for. There are no gifts involved and all of the pressure that comes with shopping for that "perfect gift." Mr. Bock and Mr. Reiter, along with our terrific staff, will be doing the same thing with our families. We want you to know just how thankful we are to be filling in for Mrs. Zimmer. Middle Road has such a supportive and loving atmosphere. Your children are the greatest and the staff could not be any better. That makes Middle Road School more than just a school and more like an extended family and we are extremely grateful to be a part of it. Thanks for including us in the Roadrunner family!

With love and gratitude,

Mr. Bock and Mr. Reiter.
