

Students of the Month

The Renaissance Committee is proud to
Announce that the Students of the Month
Of April are:

Anthony D'Amico and Adam Zhao

Anthony is an amazing student in Digital Photography class. He has been working steadily and hard all year. He is always eager to redo any project in order to improve the composition or get the technique right. In the process, he is always willing to help other students and share what he has learned. Anthony is also very friendly, comes to class with a smile on his face even though it is first block. When he sees his teachers in the hall he greets them and engages in conversation. He is a mature young man who is also active in the track and cross country teams here Raritan.

Adam demonstrates great character and maturity in taking responsibility for his academic success during virtual learning. He always logs in on time and stays on camera during the entire class and participates. He tries to do his best and succeeds.
