

## Students of the Month

The Renaissance Committee is proud to  
Announce that the Students of the Month

Of January are:  
Maranda Glancy and Nick Torres

Maranda is completely committed to her studies in AP English Language. Her skills steadily grow in this challenging class as her work both in and outside of class deepens in breadth and depth. She is completely polite and considerate to all. She stays accountable for all of her work when she missed class and is always open to suggestions. She is a pleasure to have as a student.

Nick is a phenomenal student. He is a hard worker who never gives up. He is always willing to lend a hand with work in the classroom and help others. He brings a smile to all teachers and classmates from the time he comes in every morning. Nick is outgoing, hard working, and respectful. He loves to workout in Unified Partners and has shown strides in the SLE Program, most notably at the Brookdale College Hazlet Campus. Nick shows positive traits to work with others and will do his best at any job that is given to him.
