Dear Parents and Guardians:

The Hazlet Township Public School District is pleased to be able to offer an extensive selection of Enrichment and Developmental programs to our students this summer at NO CHARGE to Hazlet residents.

We encourage you to review the catalog for the valuable opportunities available to your children. These opportunities will be offered Monday through Thursday from 9:00-10:30 or 10:30-12:00 beginning Monday, July 8, 2019.

All programs will be taught by certified teachers and held at Raritan High School. Room assignments and confirmation of programs will be emailed by Monday, June 17, 2019.

We will try to accommodate your requests beginning with your top priority; however, to be fair to all interested students you may not get all requested classes. Registration will be from May 15, 2019 through May 31, 2019. May 31st is a strict deadline so that we can fully prepare for the summer program. **Late registrations will not be accepted.**

For additional information, please visit our website at www.hazlet.org and go to "2019 Summer Enrichment Offerings" under the Curriculum section. You may also contact us at (732)264-8401 ext. 1105, or email us at tbarr@hazlet.org.

Sincerely,

A handwritten signature in blue ink that reads "Scott Ridley".

Scott Ridley, Ed.D.
Superintendent of Schools

GRADES 1 & 2

2019 Summer Enrichment Offerings

1st & 2nd Grade ~ Shine Like a Star ~ Have fun being an actor or actress while improving your reading fluency through Readers' Theater. Students will create puppets/props while acting out their stories for the audience. It's their time to shine!

WEEK 1: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 8 - Thursday, July 11, 2019

1st & 2nd Grade ~ Art Exploration – Fun with Paint ~ Students in this course will engage in a variety of summer themed art projects that involve painting with different tools and textures. Art projects such as these encourage creativity and self-expression in young children. They also help develop physical skills such as dexterity, fine motor skills, and hand-eye coordination. Each day students will create different summer themed art projects including: - fizzy fireworks paint and paper tube fireworks painting - outdoor painting - painting with ice, water gun painting, and painting with bubbles - pool noodle painting and fluffy ice cream paint - rock and seashell painting - students will decorate rocks and shells to hide around town as part of the #HazletRocks initiative.

WEEK 1: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 8 - Thursday, July 11, 2019

1st & 2nd Grade ~ Math Can Be Fun ~ Students will listen to a variety of children's stories to demonstrate math ideas. Students will explore mathematical ideas through the use of tangram puzzles, multiplication as repeated addition, logic, and symmetry.

WEEK 1: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 8 - Thursday, July 11, 2019

1st & 2nd Grade ~ Summer S.T.E.M Fun ~ Summer S.T.E.M. Fun Students will love testing their engineering skills through the use of S.T.E.M. We will start by learning the 5 steps of S.T.E.M.; ask, imagine, plan, create and improve. We will then explore a hands-on activity to tackle a new problem each day. Students will also enjoy how science can be integrated into literature to solve real world problems.

WEEK 1: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 8 - Thursday, July 11, 2019

1st & 2nd Grade ~ Math Games ~ It's all fun and games when it comes to math! Students will engage in interactive games, centers and a variety of activities that will help to keep math fresh in their minds. Students will be challenged during the interactive rotations with board games, computer games, partner games, and small group. Being a math wizard will never be this much fun!

WEEK 1: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 8 - Thursday, July 11, 2019

2nd Grade ONLY ~ Minecraft Mania ~ Students in this course will "unplug" and explore the world of Minecraft in new ways. Students will participate in the following activities - - "All About Me" Minecraft Style: Students will create a pixel art self-portrait and a Minecraft themed profile to share with the group and learn about one another. Minecraft themed S.T.E.M. challenges: Create a Creeper, Build a Block Tower, Build an Animal Pen, Minecraft Block Creation Challenge, and Catch a Creeper Challenge - Creative Writing: Students will create a scene from Minecraft using printable background and figures and write a story to go along with it.

WEEK 1: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 8 - Thursday, July 11, 2019

1st & 2nd Grade ~ Mad Science ~ Get down into the scientific nitty gritty! Create and monitor experiments...make predictions...and just have fun getting your hands dirty with our exciting experiments! This course is sure to please...keep you guessing and making you want more science!

WEEK 2: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 15 - Thursday, July 18, 2019

1st & 2nd Grade ~ Super Star Readers ~ Become a super star reader! Enjoy a morning filled with games, centers and activities to enlighten your mind, bring out your creativity and enhance reading skills. Students will be immersed in fabulously fun fiction and advance early literacy skills.

WEEK 2: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 15 - Thursday, July 18, 2019

GRADES 1 & 2

2019 Summer Enrichment Offerings (continued)

1st & 2nd Grade ~ Under the Sea ~ Explore the magical world that lies under the sea. Students will learn all about the amazing creatures and life that exists under the big blue sea. We will enjoy learning through read alouds, online videos, hands-on activities, and crafts. Let's take the plunge and dive in together!

WEEK 2: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 15 - Thursday, July 18, 2019

1st & 2nd Grade ~ Fun with Friends ~ Students will engage in games and fun activities to build social skills. Students will work on taking turns, reciprocal conversation, helping others, learning to compromise, and many other skills that build a foundation for friendships and important life skills. Positive modeling and role playing will be put into action to equip these children with the tools to be social butterflies.

WEEK 3: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 22 - Thursday, July 25, 2019

1st & 2nd Grade ~ Yoga and Mindfulness ~ In the Yoga and Mindfulness Skills course, students will learn fundamental physical movements (asana) and breath work (pranayama) used in yogic practices to maintain an overall healthy and balanced mental and physical lifestyle. The Yoga and Mindfulness Skills course will involve a physical understanding and practice of traditional yoga poses where students will come away with movements that can help them relieve stress and tension. In addition to a physical practice, students will practice breath work designed to energize, release tension, stimulate clear thinking, and respond to situations mindfully. Students will learn techniques that they can do in school or at home to help them develop, learn, and live a healthy lifestyle!

WEEK 3: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 22 - Thursday, July 25, 2019

1st & 2nd Grade ~ Mighty Math ~ Students will explore real world math related stories and have fun exploring various mathematical concepts such as numeration, graphing, measurement, money, and geometry. They will play games to demonstrate real world problems.

WEEK 4: Four 1 ½ hour classes (9:00 am – 10:30 am) Monday, July 29 - Thursday, August 1, 2019

1st & 2nd Grade ~ Fairy Tale S.T.E.M ~ Students will incorporate Science, Technology, Engineering, & Math while listening to traditional Fairy Tales.

WEEK 4: Four 1 ½ hour classes (10:30 am – 12:00 pm) Monday, July 29 - Thursday, August 1, 2019
